

Text:

Darling hold my hand

Nothing beats a Jet2 holiday! And right now, you can save *50 pounds per person!* That's 200 pounds off for a family of 4.

L^AT_EX with knitr (.Rnw):

```
\section*{Darling hold my hand}

\textbf{Nothing} beats a Jet2 holiday! And right now, you can save
\textit{50 pounds per person!} That's 200 pounds off for a family of 4.
```
